Our Mission

Established in 2014 by a group of residents, the **Williston Area Community Foundation** is a permanent endowment fund that can support our community for years to come. Earnings from the fund are given as grants to support nonprofit projects or programs in the area that work to improve our community and quality of life.

Our Committee

A group of local volunteers serves as an Advisory Committee to the Foundation and has two main purposes: first, to spread the vision and purpose of the foundation by building partnerships with community projects and area leadership. Also, to grant earnings of the fund back into the community to those projects improving the quality of life for area residents.

Our Service

We partner with the George & Helen Christensen Family Charitable Fund and together these funds have helped fund numerous key initiatives in our community. Grantees include:

- Williams County Social Services: school supplies for foster care youth
- Acro Star Gymnastics: building expansion project
- Dakota Children’s Advocacy Center: child abuse outreach services in Western ND
- Injured Military Wildlife Project of ND
- BIO Girls: funding to start a BIO Girls program in Williston

Who Can Get Grants

Any nonprofit organization or government agency in Williston can apply for a grant. The fund does not support congregations or political parties. It is for the general good of the community. For more information about grant guidelines or to get an application, go to www.NDCF.net/Williston.

Our Partnership

We encourage each social group, individual, business, gambling institution, etc. to make some sort of gift from time to time. Over the years, all those gifts will grow this permanent fund to be an even more valuable resource for our communities.

The chart below shows other community foundations in North Dakota (all of which are larger than the Williston foundation) and the impact these funds have in their area. Our goal is to grow larger than these so we can better meet the needs in the Williston area.

Fund	Asset Value	Approx. Annual Grants
Kenmare	\$256,000	\$10,000
Parshall	\$354,000	\$14,000
Stanley	\$2.5 million	\$100,000

How to Donate to the Fund

Help us grow our community’s permanent fund by making a gift in some way. Every gift, no matter the size or type, helps us grant to more service organizations and projects in Williston. Many community services go unfunded because of lack of funds.

In the future: Your Legacy

Set up a gift in your estate plans. Make a specific, percentage or residual designation in your will/ trust or as a partial beneficiary of retirement fund or insurance and create a simple legacy gift. This is a great way for you and/or your family to be remembered forever, to show your love for your community, and ensure services for the next generation.

Regardless of the type of gift, requests for anonymity will always be honored. Please contact the NDCF directly if you would like to make an anonymous gift.
