

Monroe Scheflo Memorial & U.S. Durum Growers Association Scholarships

Background:

The **Monroe Scheflo Memorial Scholarship** was established in 1985 by the U.S. Durum Growers Association in memory of Monroe Scheflo the Association's President from 1982 to 1984 when he lost his battle with cancer at the age of 43. Monroe Scheflo was raised in Newburg, ND and graduated from high school there. He married Dianne Hanson at Minot and graduated from Minot State College in 1964. He taught school until 1975 and then engaged in full time farming near Bottineau, ND.

Monroe was an outspoken champion of Durum research, promotion, and export development. He didn't just complain about agriculture's problems, but took action to help solve them. He worked for a number of years with commodity groups trying to improve marketing conditions for other farmers and his friends.

The **U.S. Durum Growers Association Scholarship** fund was established in 2014 to provide financial assistance to students from durum-producing states attending college full-time and pursuing a degree in agriculture.
