

Stanley has always been “home” to me and I have great memories growing up here.

The Stanley Area Community Foundation is working hard to preserve what is best about my hometown while providing opportunities for current and future generations.

I am proud to help build a legacy through this foundation to improve the quality of life for residents in my part of the world and I encourage others to join me! Contributions large and small are welcome and will be a permanent gift to the community we all love.

I know that the impact of my donations will be felt for generations through grants to our school, park district, senior center, library and other organizations.

I encourage others to include our local community fund in their charitable giving plans every year. We all have a responsibility to give back and this is the best way to do it!
