A permanent fund for the good times and the lean times.

"What a man does for himself, dies with him. What he does for his community lives long after he is gone."

- Theodore Roosevelt

Our Mission

Established in 2010 to support charitable programs in McKenzie County, the **McKenzie County Community Foundation** is a permanent endowment fund that can support our communities for years to come. Earnings from the fund are given as grants to support nonprofit projects or programs in the area that work to improve our community and quality of life.

Our Committee

Local volunteers serve on a 7-9 member committee and provide guidance to the fund. We work together to:

- ensure the fund parameters and individuals gift guidelines are met
- grant yearly earnings and build awareness of the fund through networking, marketing, and hosting events.
- encourage giving, and act as a channel for those businesses, individuals and social groups who want to build a Legacy for our community by making gifts to the fund.

New committee members come from the community at-large and represent a cross-section of the county. Term limits ensure there is turnover and new input to this group. To see a current list of members, go to

www.NDCF.net/McKenzieCounty

Our Service

A county requires many services to maintain and improve quality of life. From time to time, these services don't exist, or are inadequately funded because of lack of dollars or priority. This fund provides a yearly income stream for important and urgent needs as determined by the local committee.

Who Can Get Grants

Any nonprofit organization or government agency in McKenzie County can apply for a grant. The fund does not support congregations nor political parties. It is for the general good of the community. For more information about grant guidelines or to get an application, go to www.NDCF.net/McKenzieCounty.

Our Community Partnership

We encourage each social group, individual, business, gambling institution, etc. to make some sort of gift from time to time. Over the years, all those gifts will grow this permanent fund to be an even more valuable resource for our communities.

We would like to grow our community foundation so that we can make larger grants every year. The chart below explains the impact a larger fund can have in our area:

Comm.	Size of Fund:	Est. Annual
Parshall	\$354,000	\$14,160
Richardton	\$555,000	\$22,200
Stanley	\$2,500,000	\$100,000

How to Donate to the Fund

Help us grow this fund by making a gift in some way. Every gift, no matter the size or type, helps us grant to more service organizations. Many community services go unfunded because of lack of funds.

Help Today.

- Donate cash, with a check, stock, partial gift of insurance, retirement assets, real-estate, collections, unneeded equipment, ag produce
- Set up a recurring gift online - you select the amount and the end date. Even \$10 or \$25 a month makes a difference!
- ND 40% income tax credit: Anyone living in or out of the state receiving ND income may take advantage of the state's 40% tax credit. (*Restrictions apply—ask for details*)

Near Term: Giving for income

Give a gift and get an income for your life or that of your spouse or family member. Remaining value becomes your gift to the fund. This is a great way to stabilize income—ask us how.

In the future: Your Legacy

Set up a gift in your estate plans. Make a specific, percentage or residual designation in your will/trust or as a partial beneficiary of retirement fund or insurance and create a simple legacy gift. This is a great way for you and/or your family to be remembered forever, to show your love for your community, and ensure services for the next generation.

Regardless of the type of gift, requests for anonymity will always be honored. Please contact the NDCF directly if you would like to make an anonymous gift.

If you have left the McKenzie County Community Foundation in your estate plans please let us know so we can say thank you! Tax ID # 45-0336015
