

In 2021, with the help of our friends at ConocoPhillips, we reached our Blue Dot Goal! Our Endowment Fund is now over \$100,000!

Our Partnership

The Dickinson Area Community Foundation is a component fund under the umbrella of the North Dakota Community Foundation. Established in 1976, NDCF manages nearly 750 charitable funds and over \$105 million for the betterment of North Dakota citizens and their communities. NDCF provides comprehensive charitable services including donor gift planning, bequest planning, and fiduciary services such as accounting, audit, and money management.

In addition to awarding grants from the DACF Endowment Fund, we also help facilitate special projects within our community. DACF has assisted the Friendship Park Committee in raising over \$1 million to build an inclusive playground in Dickinson! We also help facilitate Donor Advised Funds like the Little Buddy Foundation and the Stark County Association of Deputies Special Project Fund."

Letter from the Chair:

5 years! 2021 marks the 5th year that the Dickinson Area Community Foundation has been working to help make Dickinson an even better place to live. Since our beginning in 2016, DACF has granted over \$40,000 to area non-profits! Meanwhile, our Endowment Fund continues to grow each year so that the work we do today, will help area non-profits for many years to come.

There is so much good to be done in our community. Everywhere you turn there are people willing to give their time, talents, or treasurers to help make Dickinson an even better place to live. It's wonderful to see the great things our community is capable of. I am lucky to have a front row seat to all of the good that our DACF Board Members do to help our community. Not only are they wonderful in their own careers, these folks do incredible things to help DACF grow. Our community is extremely lucky to have folks like these. If you see them, be sure to thank them for all of the great work that they do!

Finally, I want to again thank all of our donors for their continued support. The grants given and the endowment dollars raised would, of course, not be possible without you. Again, there is so much good to be done in our community, and you, our donors, are certainly doing good things.

Sincerely,
Jordan Selinger
