2022 Annual Update

The power of a community foundation is in its flexibility, its longevity, and its ability to harness the power of many. A community foundation receives gifts and donations of various sizes from individuals, families, and businesses, and grants money back into the community for projects and programs that improve the quality of life for area residents.

"The beauty of a fund like this is that it's not tied to any one cause or organization," said Kara Geiger with the North Dakota Community Foundation. *"Each year, the local Advisory Committee reviews applications from charitable organizations and community groups and recommend programs to receive funding."*

This can be seen in the three grants our HMB Community Foundation has already awarded to three different organizations - the Southwest Threshing Association last year and two different ones this year (see article at right).

Our foundation's advisory committee believes strongly in the power of this community foundation and the impact it will have on our area in the future. Please join us in making a gift today for future generations of HMB residents!

What is Our Potential?

There are over 69 local community foundations in North Dakota, some that started over three decades ago and others that started last year.

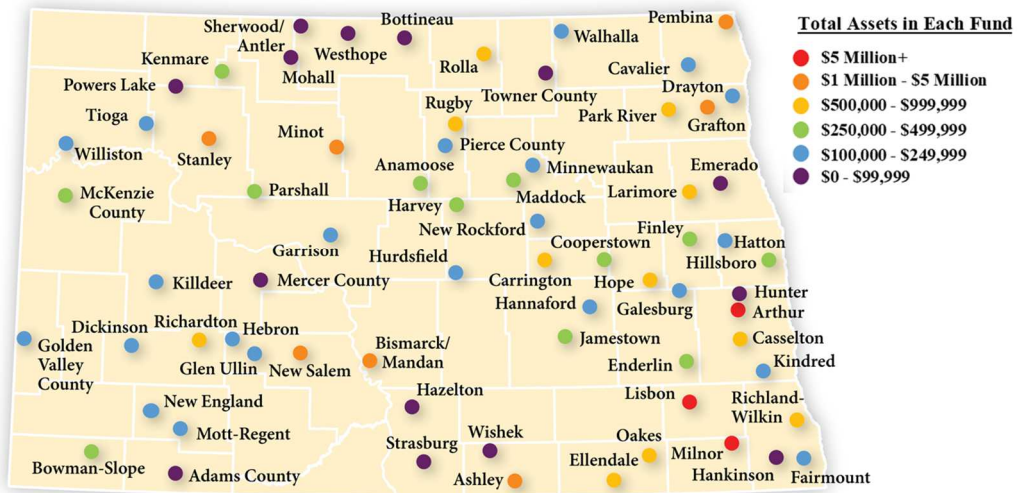

The larger these permanent endowment funds grow, the more earnings are available for grants every year. Some funds award over \$40,000 in grants every year!

Can you help us grow our fund so that we can better support the programs and projects that make Hazelton-Moffit-Braddock great? Consider setting up a recurring gift online at www.NDCF.net/HMB or send a check to our address on the front.

Other ways to give include:

- Donate stock
- Take advantage of the IRA Charitable Rollover - your donation (directly from your IRA account to our fund) counts as your Required Minimum Distribution, but you can avoid taxes on it!
- Give memorial gifts to our fund in honor of family members and friends.
- Make the fund a full or partial beneficiary of your life insurance policy.
- Leave a gift in your will - it can be a specific dollar amount, percentage of your estate, or remainder after other gifts to family and friends.

If you'd like to have a free, confidential, no-obligation conversation about charitable-giving options, including planned gifts to our community fund, contact Kara Geiger with the North Dakota Community Foundation at Kara@NDCF.net or 701-222-8349. ♦
