North Dakota Community Foundation Awards \$500,000 in Scholarships

Bismarck, North Dakota . . . The North Dakota Community Foundation (NDCF) will award over \$500,000 in scholarships to over 350 North Dakota students in 2018. The organization currently manages over 150 scholarship funds supported by North Dakotans, former residents and those interested in helping North Dakota students succeed.

“We are honored to award these scholarships to such deserving youth.” said Kevin Dvorak, President and CEO of NDCF. “And we are thankful to our donors who have created these funds to further the education of North Dakota students.”

The following list is organized alphabetically by hometown and provides the name of each scholarship recipient, their hometown, the school they will be attending (if known), and the scholarship fund or funds at NDCF from which the money was granted. In most cases, a local advisory committee recommends the grant recipient.

Congratulations to the NDCF Class of 2018!
