North Dakota Community Foundation Awards \$770,000 in Scholarships

Bismarck, North Dakota . . . The North Dakota Community Foundation (NDCF) will award more than \$770,000 in over 400 scholarships to North Dakota students in 2024. The organization currently manages over 200 scholarship funds supported by North Dakotans, former residents and those interested in helping North Dakota students succeed.

“These scholarships are all possible because of generous North Dakotans who believe in the value of education,” said Kevin Dvorak, President and CEO of NDCF. “We are grateful to them and we wish these students the best as they continue their studies.”

The following list is organized alphabetically by hometown and provides the name of each scholarship recipient, their hometown, the school they will be attending (if known), and the scholarship fund or funds at NDCF from which the money was granted. In most cases, a local advisory committee recommends the grant recipient.

Congratulations to the NDCF Class of 2024!
