

2024 Dushinske & Jamison Water Resources Scholarship

Applications Due April 1

The North Dakota Water Education Foundation (NDWEF) application deadline for the 2024 Dushinske & Jamison Water Resources Scholarship Endowment is April 1. Applications must be postmarked by that date.

The Dushinske & Jamison Water Resources Scholarship Endowment was established by the NDWEF within the North Dakota Community Foundation in memory of Russ Dushinske and Warren Jamison and their distinguished service, dedicated leadership and lifelong devotion to water development in North Dakota.

“The Dushinske & Jamison Water Resources Scholarship Endowment is a lasting legacy that Russ and Warren leave behind,” says NDWEF Executive Director Dani Quissell. “Thanks to their legacy, we’re able to support future generations of water leaders through scholarships awarded every year.”

A \$1,500 scholarship is awarded each year to four deserving applicants. Scholarship recipients must attend a North Dakota college or university and preference will be given to, but not limited to, students studying water-related fields and students whose families have taken active roles in state water resource management.

The scholarship awards will be presented at the awards program of the North Dakota Water Convention on Dec. 12, 2024.

Recipients of the 2024 Dushinske & Jamison Scholarships will be chosen by an impartial judge and announced in May. The winners will be announced in the *North Dakota Water* magazine.
