Our Mission

Established in 2015, the **Adams County Community Foundation** is a community-focused, permanent endowment fund from which any service entity in Adams County can request special project funding. Earnings from the fund can be given as grants to support nonprofit projects or programs in the area that work to improve our community and quality of life. Our fund gives residents and alumni of the area a way to leave a legacy that will improve the quality of life for themselves, their families, and their community for years to come.

Our Committee

Our committee of local volunteers tell the authentic story of the Foundation and our community. The committee supports those who hope to leave a legacy in the community, connecting them to important information about their gifts and to the Foundation. The committee also reviews grant applications and recommends funding awards based on impact in the community. Finally, the committee advocates for growth of the Foundation, understanding that the bigger the fund, the more grants we can award to local service entities, and the better we can help tell Adams County's authentic story.

For an up-to-date listing of committee members, visit www.NDCF.net/AdamsCounty

Our Service

The interest earnings from our community foundation are awarded as grants to worthwhile projects and programs in the area. Initial grants from our fund went to Adams County Social Services for their Drug & Alcohol Program and the Hettinger Golf Association for their Youth Golf Program.

Most recent grants include:

- **Adams County Food Pantry:** \$593 for supplies
- **Adams County Youth Development Foundation:** \$640 for the C.M. Cook Youth Development 4H and FFA Club Barn
- **Southwest Dakota Human Service Zone:** \$420 for The Council for Boys and Young Men

Who Can Get Grants

Any nonprofit organization or government agency in Adams County can apply for a grant. The fund does not support congregations or political parties. It is for the general good of the community. For more information about grant guidelines or to get an application, go to www.NDCF.net/AdamsCounty.

Our Community Partnership

We encourage each social group, individual, business, etc. to make some sort of gift from time to time. Over the years, all those gifts will grow this permanent fund to be an even more valuable resource for our communities.

We would like to grow to about \$100,000 in our community foundation. We would like to grow to this amount so that we can make larger grants every year. The chart below shows other community foundations in North Dakota and the impact their funds have in their area.

Community Fund	Market Value (12/31/21)	Est. Annual Grants
Mott-Regent	\$182,134	\$7,200
Bowman/Slope	\$306,618	\$12,000
Richardton	\$555,159	\$22,200

What could we do with \$5,000 or \$10,000 to grant out every year in Adams County?

How to Donate to the Fund

Help us grow this fund by making a gift in some way. Every gift, no matter the size or type, helps us grant to more service organizations. Many community services go unfunded because of lack of funds.

Help Today.

- Donate cash, with a check, stock, partial gift of insurance, retirement assets, real-estate, collections, unneeded equipment, ag produce
- Set up a recurring gift online - you select the amount and the end date. Even \$10 or \$25 a month makes a difference!
- Added Benefit: ND 40% income tax credit! Anyone living in or out of the state receiving ND income may take advantage of the state's 40% tax credit. *(Restrictions apply—ask for details)*

Near Term: Giving for income

Give a gift and get an income for your life or that of your spouse or family member. Remaining value becomes your gift to the fund. This is a great way to stabilize income—ask us how.

In the future: Your Legacy

Set up a gift in your estate plans. Make a specific, percentage or residual designation in your will/trust or as a partial beneficiary of retirement fund or insurance and create a simple legacy gift. This is a great way for you and/or your family to be remembered forever, to show your love for your community, and ensure services for the next generation.
