Education*

Why Endowment?

An endowment fund specifically for our school district was established at the North Dakota Community Foundation (NDCF) in 2018 to provide long-term support. Each year there are projects or programs we cannot include in the budget because of limited funds. Once large enough, this fund will help fund programs or projects which directly improve the quality of education.

An endowment fund is a permanent fund. The principle in the fund is never spent. Instead, the interest earned on the fund is used for programs and projects at the direction of our school board.

Our endowment fund will grow over time through donations and gifts and the interest earnings can be used for a variety of things. Examples include:

- STEM (Science, Technology, Engineering and Math) equipment and teaching tools
- Library needs,
- Technology upgrades,
- Athletic equipment and uniforms for our sports teams,
- Providing scholarships for school trips to low-income students

Some schools use their endowment fund earnings to purchase LEEO Robotics programming kits or new playground equipment.
