#### Mission Statement

The mission of the North Dakota Community Foundation is to improve the quality of life for North Dakota's citizens through charitable giving and promoting philanthropy.

#### About the North Dakota Community Foundation

The North Dakota Community Foundation was incorporated in 1976. NDCF is an IRS designated 501(c)(3) statewide, public, nonprofit, tax-exempt corporation that receives and distributes charitable funds to support a wide range of programs that benefit North Dakotans.

NDCF was formed by a group of concerned citizens who were looking for a general charitable vehicle to build endowment to support the nonprofit sector in the state. Initial support for the Foundation came from the Otto Bremer Foundation (now the Otto Bremer Trust), the Northwest Area Foundation, the Norwest Bancorporation, the North Dakota Bremer Banks and the Bush Foundation.

NDCF has continued to grow and flourish over the years thanks to the support of thousands of individuals and businesses who want to make North Dakota a better place to live, work, and play.

#### National Standards

The National Standards Seal represents official confirmation from the Community Foundations National Standards Board that NDCF has met the most rigorous standards for community foundations. The seal affirms NDCF's commitment to financial security, transparency, and accountability and says that our grantmaking includes an open, competitive process designed to address the changing needs of our community.

#### NDCF Board of Directors

NDCF is governed by a 15-member Board of Directors. They are volunteers and receive no financial compensation for their services on the Board. They are elected from the population of North Dakota and are selected to represent a broad cross-section of North Dakotans. They can serve two three-year terms and then must leave the Board. This structure ensures that the North Dakota Community Foundation is truly the people of North Dakota's Foundation.

If you are interested in serving on the NDCF Board, please contact our Bismarck office. We keep a list of potential board members for consideration.

#### 2021 Annual Report

The year 2021 began with a raging pandemic, which required all the precautions and adjustments a prudent person would take in such circumstances. For the North Dakota Community Foundation, this included having to cancel the 2021 North Dakota Picnic in Arizona which gathers more than 2,000 North Dakotans who live either temporarily or permanently in that sunshine state. We made our last round of COVID 19 response grants in the spring to food pantries in five of the most economically challenged counties in North Dakota. The board felt that this was an excellent way to use the remaining monies so generously offered by our donors to help those most in need.

As the vaccine was distributed and restrictions were lifted, attitudes changed. The NDCF Board decided to meet in person for the first time in a year and a half with the option to attend virtually for those who were more comfortable that way. It was terrific to see the spirited conversations and interactions by those separated for far too long.

And that was a big part of the story of our 2021 . . . providing service to our volunteers, donors, grantees and the people of North Dakota in the best way possible, depending on their situation and concerns.

If you want to see how creative and innovative North Dakotans can be, just put obstacles in front of them. We changed some, but not all, of our in-person fundraisers to virtual events, relied more heavily on direct mail in a few cases and held outdoor events to reduce the risk of transmission. Of course, we continued to utilize ZOOM meetings, where we used technology to keep touch with our volunteers all around the state (a valuable tool whether you're in a pandemic or not!). And, truth be told, while the technology is useful, we did as many in-person meetings and events as virtual ones. All of this resulted in a successful year in spite of the challenges.

You can see the financial results in the pages that follow. What you can't see in the numbers is the grit, the determination and the commitment that it took to achieve that success. Despite the toll taken by the pandemic, our volunteers, our board members and our staff kept working to accomplish our mission and to improve the quality of life for North Dakotans.

If you live here, you know what adversity is, whether it be floods, cold, heat, drought or any of the financial booms and busts that North Dakota has suffered over the years. What sets those who live here and love this state apart, is their dogged will to make it work no matter the obstacles. We are so honored and thankful for that spirit and for our part in making North Dakota better. It's about the people and here's to them!

2021 Board Chair Vicki Kunz

President & CEO Kevin J. Dvorak

We were glad to get back to meeting with our donors, volunteers, and grantees in-person in 2021! Here, our President and CEO Kevin Dvorak talks to an interested attendee at the North Dakota League of Cities annual conference in Bismarck in September.

Our Development Director East Amy Stromsodt was named the 2021 Respected Fundraising Professional of the Year by the Association of Fundraising Professionals – Northern Plains Chapter on November 16. Amy has been a fundraiser for over 25 years and currently provides service to 26 different community foundations in the eastern part of the state, as well as donors, financial professionals, school foundations, and other funds in her territory. WE always knew Amy was special – so glad others recognize it, too!

#### Our Community Foundations

Our local community foundations are the signature program of the North Dakota Community Foundation. NDCF currently manages local community funds for 69 different communities, counties, or areas in the state. These funds each have an advisory committee made up of local residents that lead fundraising efforts and recommend grant awards. These grants fund projects and programs that greatly improve the quality of life in these communities. It's an excellent example of local residents keeping their charitable dollars in their own hometown, supporting their own nonprofit organizations and needs. Here are some examples from 2021:

\$5 Million +
 \$1,000,000 - \$4,999,999 in total assets
 \$500,000 - \$999,999 in total assets
 \$250,000 - \$499,999 in total assets
 \$100,000 - \$249,999 in total assets
 0 - \$99,999 in total assets

#### **ASHLEY**

A grant from the Ashley Community Endowment Fund supported a special LPN program that was a collaborative effort between the Ashley Medical Center and Bismarck State College to address the nursing shortage in the area. In July of 2021, the program graduated 5 LPNs, with 2 of the students coming from Venturia, 2 from Wishek, and 1 from Kulm. What a great program addressing a serious need in our rural communities!

#### • Total assets in our Community Endowment Fund Program is over \$50 million!

- We received 1,877 donations to our community funds in 2021, totaling over \$1.3 million.
- **400 grants** were awarded in 2021 from our Community Endowment Funds, totaling almost **\$1.6 million!**

## What did our community grants help fund in 2021?

#### DICKINSON

Women Empowering Women used their grant from the Dickinson Area Community Foundation to hold a Health Fair specifically for the Hispanic women in their community, many of whom have not mastered the English language, do not drive, and lack guidance on many health topics. Materials were provided in Spanish and interpreters were available at every booth so attendees could ask questions. There were 52 attendees at the event.

#### ROLLA

The Rolla Community Endowment Fund committee hosted a Jewel City Gala to raise funds and celebrate their community! Six awards were handed out recognizing the new business of the year, emergency services volunteer of the year, most positive citizen, and others. The committee reached their goal of raising \$100,000 in 2021!

#### **RICHLAND-WILKIN**

With COVID still a concern in the early part of 2021, the Richland-Wilkin Community Foundation and the Enderlin Area Community Endowment Fund got creative with their fundraiser: a Virtual Cooking Class, led by Chef Kyle Armitage of the ND State College of Science! Participants followed along at home as Chef Kyle prepared a delicious Italian meal.

#### Statewide Greatest Needs Fund

NDCF's Statewide Greatest needs Fund provides grant dollars for projects and programs across the state that make a significant difference in the quality of life of area residents. NDCF's Board of Directors reviews grant applications once a year and determines grant awards. NDCF was pleased to award \$172,646 in grants in 2021 to 39 organizations across the state, including those shown here.

**Dickinson:** Women Empowering Women received a grant to host a Coding Camp girls. "The one week (five day) camp will be held at Dickinson Middle School. Target audience is girls entering 9th or 10th grades. We are inviting girls from Adams, Billings, Bowman, Dunn, Golden Valley, Hettinger, Slope and Stark Counties. The project goal is to ensure that young girls in our area are exposed to a full range of occupational choices regardless of gender. Our research shows a strong workforce demand in technology fields. We want to ensure that young women start to understand the breadth of career pathways in technology

that might interest them, and expose them to training and experiences that let them sort through their interest levels." – Ray Ann Kilen, Women Empowering Women

Jamestown: The Jamestown Rural Fire Department received a grant to purchase an Ultra High Pressure firefighting unit. "Due to the extreme drought in 2021, we have responded to currently 103 fire calls, of which 59 of those have been wildland fire responses," wrote Fire Chief Brian Paulson in their application in July of 2021. "This is compared to 55 total responses with 23 wildland fires in 2020, 54 total calls with 16 being wildland in 2019, and 35 total calls/15 wildland in 2018. The high volume of calls has crushed our 2021

operating budget." The grant was delivered in October of 2021. Pictured left to right: Fire Chief Brian Paulson, NDCF board member CJ Hager and NDCF President & CEO Kevin Dvorak.

**Wishek:** The Wishek JDA received funding for fencing for a new daycare. "It was critical that this project succeeded, as an existing daycare was closing, and many of the parents were concerned that they may have to take jobs elsewhere as there was not a backup plan for local daycare. The North Dakota Community Foundation grant was very much appreciated, as without having the funds to put in the fencing, it would have been difficult to open the daycare when it was so needed. Because

there are some large, commercial-type buildings located directly behind the daycare property, and there are large semi-trucks making deliveries, it was critical that the fence be in place. The fence was installed on the property in late August, and the daycare was able to open within a few days after it had been completed." – Becky Thatcher-Keller, Wishek JDA

**Newburg:** The Newburg Community Club received funding for six new aluminum picnic tables to replace the old wooden ones in Newburg Park.

**Devils Lake:** The local VFW Post 756 received a grant to improve the accessibility of their building. "Each year our VFW Post delivers gifts to area Veterans in nursing homes and assisted living facilities. We also deliver to WWII and Korean War Vets that are not in nursing facilities. The attached photo shows Wes Widmer, VFW Post Commander (Left) and Mike Grafsgaard, VFW Post Quatermaster (right), delivering a gift to Korean War Veteran Tom Nistler. Tom served

on our Honor Guard a number of years and was active in our Post, helping Vets over the years. The stairs have made it difficult for Tom and his wife to continue to attend meetings and socialize at the VFW. With the help of the ND Community Fund, we hope to have the lift project complete in 2022 and allow access to area Veterans that are mobility impaired. We told Tom he will be the first to use the lift once it is installed!" – Mike Grafsgaard, VFW Post 756

Would you like to make a difference in communities across North Dakota? Make a donation to our Statewide Greatest Needs Fund in 2022 and you will support projects like these all across our state! Or leave a gift in your will to this fund and make a difference forever!

#### New Funds

NDCF manages over 800 funds for the betterment of North Dakota citizens and their communities. We were pleased to welcome the following funds in 2021:

#### NEW COMMUNITY FOUNDATIONS

Community foundations are permanent, flexible, financial resources for their communities and surrounding area. The grant money they provide to local projects and programs every year can make a huge difference in the quality of life for their residents. Over time, their endowment funds can become a substantial source of funding for their communities. Some communities also establish non-endowment funds for special projects in their area. The following community funds were started in 2021. NDCF manages 69 local community foundations in North Dakota.

- New Rockford Community Foundation Project Non Endowment
- Richland Wilkin Power of 100 Non-Endowment Fund

The new Richland Wilkin Power of 100 fund was organized in late 2021 and held its first event – a beer pairing hosted by Summit Beer - in January of 2022. City Brew Hall Chef Eric Watson's offerings included citrus braised chicken lollipops with Keller Pils, crispy walleye cakes and coconut shrimp with Slugfest Juicy IPA, dry aged beef enchiladas with Summit Extra Pale Ale and chocolate almond bread pudding with Oatmeal Stout. The event raised \$7,200, which was split between the Children's Discovery Center, the Richland Wilkin Community Foundation's endowment fund, and future Power of 100 recipients.

#### **NEW SCHOOL FUNDS**

Numerous school foundations have been established in the last several years to provide additional resources to cash-strapped school districts. The additional funding from our

school foundations fill in the gaps, providing everything from supplies to playground equipment to musical instruments to teacher housing. They can also provide long-term stability and resources for the school. Welcome to these new school foundations!

- Alexander Public School Football Field Project Non-Endowment Fund
- Beach Public School Alumni Non-Endowment Project Fund
- Beach Public School Project Non-Endowment Fund
- McKenzie County Public School Dist #1 Community Clean Up Project Non-Endowment Fund

Eleanor Wiebe passed away in August of 2020 and left a gift of over \$600,000 in her will to provide scholarships for graduates of high schools in Wells County, North Dakota. She specifically wanted to help students going into agricultural programs. The

first scholarships will be awarded in the Fall of 2022. Thank you, Eleanor! Contact NDCF if you are considering establishing a scholarship fund for students in your area. We are here to help you help others!

The Dickinson community is moving forward with a new Town Square development and started several funds at NDCF to support its construction and ongoing maintenance. Conceptual image by JLG Architects.

The Njos Family Endowment Fund was established by the ND Grazing Coalition with a gift from Edwina (Loken) Njos in honor of her parents Edwina and Betty Loken, who ranched for many years. The ND Grazing Coalition's goals are to provide local leadership, guidance, information, and technical assistance to grassland managers to promote the health and regeneration of North Dakota's grasslands. They hold a number of events throughout the year to accomplish these goals, including tours of North Dakota ranches and discussions about rotational grazing, regenerative agriculture, and other topics. Anyone can contribute to the Njos Family Endowment Fund to promote these goals.

#### NEW SPECIAL PURPOSE (RESTRICTED) FUNDS

Some funds are established at NDCF with a specific cause in mind. These special purpose or "restricted" funds can be related to a one-time disaster response or support specific charities and projects permanently. The following special purpose funds were created at NDCF in 2021:

- Denis & Pat Montplaisir Memorial Fund
- Eileen & James Zimmerman Fund
- Hankinson Veterans Memorial Park Fund
- Kenmare Pool & Playground Project Fund
- Mohall Park District Splash Pad Project Fund
- Njos Family Endowment Fund
- North Dakota Nurse Practitioner Association Educational Endowment Fund
- Powers Lake Community Enhancement Project Fund
- St. Patrick's Legacy Endowment Fund

#### NEW DONOR-ADVISED FUNDS

Several families established donor-advised funds in 2021 and recommend where their grant dollars should go every year. Donor-advised funds can be either permanently endowed or non-endowment funds, depending on the donor's desires.

- Carpenter Foundation Fund
- David Eckroth Charitable Endowment Fund
- Hulstrand Family Fund
- Marilyn Cross Hudson Legacy Fund
- P.R. Gurholt Charitable Fund
- Thoreson Steffes Charitable Fund Endowment
- Thoreson Steffes Charitable Fund Non-Endowment
- Timothy & Linda Duppong Charitable Fund

The family of Marilyn Cross Hudson established an endowment fund to honor her life and continue her charitable giving. Marilyn's six grandchildren will recommend grant awards from this fund, guided by Marilyn's values and charitable goals.

#### **NEW GIFT ANNUITIES**

Charitable Gift Annuities provide an income for life to the donor and a gift to the causes that are most important to them when they're gone. CGAs are becoming an increasingly popular charitable-giving tool. One new CGA was established at NDCF in 2021.

#### **NEW ORGANIZATION FUNDS**

Endowment funds provide long-term financial resources for organizations and can be an integral part of how they fund their operations and special projects every year. The stability of an endowment fund means the organization's mission can continue for countless generations. In addition, some organizations establish non-endowment funds at NDCF to help raise money for particular projects. Welcome to the following new organization funds:

- Furry Friends Rockin' Rescue Endowment Fund
- Town Square Dickinson Endowment Fund
- Town Square Dickinson Non-Endowment
- Town Square Dickinson Non-Endowment Project

#### **NEW FISCAL SPONSORSHIPS**

NDCF often serves as a fiscal sponsor for organizations, especially new causes just starting out. This allows people to focus on their passion instead of worrying about establishing 501(c)(3) status, tax implications, or other legal and administrative issues. NDCF served as the fiscal sponsor for the following funds created in 2021:

- Save the Fountain Committee (Park River)
- The Infinity Center (Wahpeton)
- Thompson Days Committee Fiscal Sponsorship
- Urban Harvest Fund (Bismarck)

*Thompson Days is an annual community event that includes numerous activities including a cornhole tournament.*

The Parshall American Legion Auxiliary used their grant money to send a monthly note, signed by all Auxiliary members, to 30 Parshall residents who now reside in assisted living facilities or nursing homes. "It has been an eye-opener to the Auxiliary how something so little to us has been huge to the residents, and how they look forward to hearing from us the next month."

"We are so grateful to partner with the ND Community Foundation and we are thankful for your presence in North Dakota! Through the years, NDCF has been a wonderful resource for the Ranch as well as those who planned ahead, for others that would follow, and now we are receiving benefits from their foresight. God bless you in your endeavors and for meeting each organization at their level, in time of need."

Leave Your Legacy in North Dakota

- with a gift through your will or trust -

Making a lasting difference in your community or for future generations may be easier than you realize. With very simple language in your will or trust, you can support the North Dakota Community Foundation (NDCF) to carry out important work based on your philanthropic priorities.

Gifts to NDCF provide the added value of supporting your interests far into the future. Gifts are carefully invested to generate a permanent source of income for the scholarship, community, or nonprofit organization they were intended to support.

If you have children or other relatives, you can leave a portion of your estate to them and a percentage to NDCF. Doing so provides for your heirs while honoring your charitable values.

#### **GETTING STARTED**

1

Brothers Russell and Dale Brown left gifts to the communities of Lisbon and

Contact your professional advisors (financial planner, attorney and/or accountant) and ask for help in establishing a charitable gift.

Make sure your will or living trust is up-to-date and reflects your charitable goals. Let the recipient of your gift know that you plan to support them. They will appreciate your generosity and will want to know exactly what you'd like them to do with your eventual gift.

#### LANGUAGE FOR YOUR WILL OR LIVING TRUST

If you would like to include the North Dakota Community Foundation in your will, here is some sample language to consider:

"I give and bequeath to the North Dakota Community Foundation (Tax ID Number 45-0336015), a qualified charitable organization under IRS 501(c)(3), located in Bismarck, North Dakota,

(a percentage of the estate, specific dollar amount, or remainder of estate) to the

\_(name of fund(s) at NDCF), a permanent

component of the North Dakota Community Foundation."

\* Be sure to contact your legal advisor.

#### **OTHER DEFERRED GIFTS**

There are other ways to leave a legacy in North Dakota if you would like to make an impact: Make NDCF the beneficiary (or partial beneficiary) of your:

- Life insurance policy
- IRA
- 401K
- Commercial annuity

Establish a Charitable Gift Annuity with the North Dakota Community Foundation. You will receive a payment every year for your life (and your spouse, if desired). A substantial portion of the payment may be tax free. NDCF will receive the remainder in the annuity for the specific fund(s) you would like to benefit when the annuity matures.

#### Real Gifts from Real North Dakotans

Tom Larson was the City Manager, Assessor, and Auditor for Park River, ND and a tremendous community leader. When he passed away at the age of 54, he left a gift of almost \$120,000 to the Park River Community Endowment Fund to continue its good work long into the future. It is the largest one-time gift in the fund's over 30-year history and was a surprise to local volunteers.

T. A. and Anna Solheim lived in Minot for most of their lives. Ted had several casual conversations with NDCF staff over the years about different ways to structure his estate. He then made final decisions with his attorney. The Solheims left 50% of their estate to their heirs and certain percentages of their estate to various nonprofit organizations, including 15% to NDCF to benefit the Minot area. Their fund continues to make grants every year to projects and programs in Minot, over 10 years after the Solheims passed away.

Susanne Mattheis's attorney had contacted NDCF with some questions about how to accomplish Susanne's charitable goals, since there were several different organizations she wished to support. Susanne eventually established a Special Purpose Fund at NDCF with a gift in her will. The money was placed in a permanently endowed fund and per her direction, seven different organizations receive a portion of the earnings every year, including the Bismarck Mandan Symphony Orchestra, the Bismarck Public Library, and the University of Mary. These annual grants to her favorite charities will continue forever.

If you would like more information about these or other planned giving options, visit www.NDCF. net/Plan or feel free to contact us at 701-222-8349 or via email at info@NDCF.net. We will connect you with a Development Director in your area who will be happy to learn more about your charitable interests and share ideas on how to best accomplish your goals. Conversations are free, confidential, and you are under no obligation to make a gift. We exist to help you help others.
