

Our Mission

Established in 2012 through a generous gift from the Ishmael & Rose Diede estate, the **New England Area Community Foundation** is a permanent endowment fund that can support our community for years to come. Earnings from the fund are given as grants to support nonprofit projects or programs in the area that work to improve our community and quality of life.

Our Committee

As a group of volunteers, we have two main functions: first, to spread the vision and purpose of the foundation by building partnerships with community projects and area leadership. Also, to grant earnings of the fund back into the community to those projects improving the quality of life for area residents.

Profound Thanks to the Diedes

Ishmael Diede was a community photographer in Mott for 38 years, serving Hettinger and western Morton counties. He wished for his estate to continue to benefit the communities that had supported him and Rose throughout their lives.

Thanks to his generosity, the **New England Area Community Foundation** now has the opportunity to provide funding for worthwhile community projects and programs forever.

Our Partnership

We encourage each social group, individual, business, gambling institution, etc. to make some sort of gift from time to time. Over the years, all those gifts will grow this permanent fund to be an even more valuable resource for our communities.

We currently have approximately \$135,000 in assets in our community foundation. We would like to grow this amount so that we can make larger grants every year. The chart below shows other community foundations in North Dakota and the impact their funds have in their area.

Fund	Asset Value	Approx. Annual Grants
Richardton	\$373,656	\$15,000
Ellendale	\$517,036	\$20,680
New Salem	\$1.2 million	\$50,000

How to Donate to the Fund

Help us honor the Legacy started by the Diedes by making a gift in some way. Every gift, no matter the size or type, helps us grant to more service organizations. Many community services go unfunded because of lack of funds.

Near Term: Giving for income

Give a gift and get an income for your life or that of your spouse or family member. Remaining value becomes your gift to the fund. This is a great way to stabilize income—ask us how.

In the future: Your Legacy

Set up a gift in your estate plans. Make a specific, percentage or residul designation in your will/trust or as a partial beneficiary of retirement fund or insurance and create a simple legacy gift. This is a great way for you and/or your family to be remembered forever, to show your love for your community, and ensure services for the next generation.

Regardless of the type of gift, requests for anonymity will always be honored. Please contact the NDCF directly if you would like to make an anonymous gift.

If you have left the New England Area Community Foundation in your estate plans please let us know so we can say thank you! Tax ID # 45-0336015
