

2023 ANNUAL REPORT

“Do what you can, with what you have, where you are.”

- Theodore Roosevelt

Mission Statement

The mission of the North Dakota Community Foundation is to improve the quality of life for North Dakota’s citizens through charitable giving and promoting philanthropy.

About the North Dakota Community Foundation

The North Dakota Community Foundation was incorporated in 1976. NDCF is an IRS designated 501(c)(3) statewide, public, nonprofit, tax-exempt corporation that receives and distributes charitable funds to support a wide range of programs that benefit North Dakotans.

NDCF was formed by a group of concerned citizens who were looking for a general purpose charitable vehicle to build endowment to support important needs for communities and projects all across the state. Initial support for the Foundation came from the Otto Bremer Foundation (now the Otto Bremer Trust), the Northwest Area Foundation, the Norwest Bancorporation, the North Dakota Bremer Banks and the Bush Foundation.

NDCF has continued to grow and flourish over the years thanks to the support of thousands of individuals and businesses who want to make North Dakota a better place to live, work, and play.

National Standards

The National Standards Seal represents official confirmation from the Community Foundations National Standards Board that NDCF has met the most rigorous standards for community foundations. The seal affirms NDCF’s commitment to financial security, transparency, and accountability and says that our grantmaking includes an open, competitive process designed to address the changing needs of our community.

This and past issues of the North Dakota Community Foundation’s Annual Report are available on our website at NDCF.net

This structure ensures that the North Dakota Community Foundation is truly the people of North Dakota's Foundation.

Chair & CEO Letter

When asked what business we are in, it is challenging to describe all that we do at the Foundation in a succinct and understandable manner. We could say that we are in the fundraising business, and we certainly are. We could say that we are in the grantmaking business, also true. We are in the charitable endowment building and management business, the donor-service business, and the community betterment business through the work of our 69 local community foundations. You get the picture.

What do all of these activities (and many more) have in common? They are all built on relationships. The human connections formed by our staff are the basis of our business. Our offices are spread across the state to facilitate better service to every corner of North Dakota. All of our staff will answer the phone with a smile and do their best to help whoever is on the line, whether it is a donor, nonprofit organization, interested party, or just a wrong number.

Where does all of this lead? Because of these strong connections, we are often the first organization to come to mind when entities want to do something good in ND. Recent examples include

- When Hess, Halliburton and Nabors (oil related firms) wanted to assist the ND Tribal colleges by funding an apprenticeship program at each of the 5 Tribal colleges in ND, they asked NDCF to administer the grant and reporting process.
- When Grid United wanted to do giving along the route of their proposed North Plains Connector transmission line, they found that the footprint of our local community foundations fit the geography of the areas where they wanted to make grants.
- The Otto Bremer Trust was searching for a partner to administer grants across the state of ND in line with the wishes of their founder, Otto Bremer. They concluded that the North Dakota Community Foundation is the partner that is best able to help them accomplish their ND giving goals.

Through the strong relationships built and maintained over the nearly 50 years of the Foundation's existence, we are able to provide a vehicle for North Dakotans, North Dakotans living elsewhere and those interested in making a positive difference in North Dakota to effectively and efficiently distribute resources in places and in ways that aren't easily reached. So, when asked "what business are you in?" we best answer that we are in the relationship business.

Build a relationship with us and find out how we can help you improve the quality of life for North Dakota's citizens.

We were saddened to learn of the passing of former ND Lieutenant Governor Rosemarie Myrdal, who served on the North Dakota Community Foundation's Board of Directors from 2003-2009. She was a wonderful example of true leadership.

NDCF was proud to participate in and sponsor the ND Association of Nonprofit Organizations Nonprofit Day at the Capitol in February. Kevin Dvorak and Christi Stonecipher staffed the booth, met with legislators, and shared the good work we do across the state. The nonprofit sector in North Dakota strengthens the economy as employers and improves communities through its work in arts and culture, education, the environment, health care, and human services.

Grid United partnered with us to help them distribute over \$697,000 in charitable dollars in the communities impacted by the construction of their North Plains Connector project, connecting the eastern and western power grids in the US. Our community foundation structure was a perfect vehicle to make sure their grants went to the projects and programs most important in these areas, as determined by our local advisory committees.

We hosted the 2023 ND Picnic in AZ on March 5 in Mesa. Great weather and a huge crowd! The 2024 event was well-attended as well. Don't miss the party in 2025!

Our Community Foundations

Our local community foundations are the signature program of the North Dakota Community Foundation. NDCF currently manages local community funds for 69 different communities, counties, or areas in the state. These funds each have an advisory committee made up of local residents that lead fundraising efforts and recommend grant awards. These grants fund projects and programs that greatly improve the quality of life in these communities. It's an excellent example of local residents keeping their charitable dollars in their own hometown, supporting their own nonprofit organizations and needs. Here are some happenings from 2023:

STANLEY

The Stanley Area Community Foundation awarded a grant to help replace the pool in Wilson Park. The project is under construction and will also include a new splash pad and pool house with locker rooms and lifeguard office.

HAZELTON

The Hazelton Area Community Foundation hosted a mini-carnival with games for kids during the Hazelton Community Days on June 17. They had a great turnout! This community fund also received an estate gift in 2023 from former resident Yvonne Ranschler. Ranschler, along with members of the Dahl family, established the Hazelton Area Community Foundation in 2019 in honor of her brother Theodore, who was affectionately known as "Uncle T" in the community.

ANAMOOSE

Anamoose, ND, now has a beautiful mural thanks in part to a grant from the Anamoose Area Community Foundation. The project was completed last summer, in time for the town's 125th anniversary. *"The alumni were very excited about the mural, many seen taking pictures,"* wrote Laurel Schnase in their grant report. AND, it's a great backdrop for donations to the fund - thanks Roberta Storm, State Farm Agent! Community foundations help keep our towns vibrant!

Statewide Greatest Needs Fund

NDCF's Statewide Greatest Needs Fund provides grant dollars for projects and programs across the state that make a significant difference in the quality of life of area residents. NDCF's Board of Directors reviews grant applications once a year and determines grant awards. NDCF was pleased to award \$207,850 in grants in 2023 to 56 organizations across the state, for statewide programs as well as projects in communities shown here.

West Fargo: Haley's Hope used their 2023 grant to develop, pilot, and evaluate a one-year plan for K-12 educators all across North Dakota. According to the ND Department of Public Instruction, more than 35,000 students in K-8 lack proficiency in reading. The National Center for Learning Disabilities has identified dyslexia as the primary cause of the issue. The program will help teachers and parents recognize and understand the way individuals with dyslexia learn.

Wolford: Father's Farm is a faith-based, non-profit organization, where men who are in recovery or recently released from incarceration learn practical skills and build character. *"During the months of October and early November we had two new men getting established here at Fathers Farm who recently arrived in September. The first three months of a man's stay here is the most time intensive with mentoring. It's often the most rewarding as well. Jeremy and Tom have been doing fabulous here and during this grant period, they both improved in their addiction recovery to the point where they were able to take key employment jobs in the community - Jeremy working*

in construction at a nearby hospital and Tom in housekeeping at a nearby hospital system - the hospital had been having trouble filling that position. Thus, the extended community was impacted in a positive way even in the second month of these two men being here."

Dickinson: Connect Medical Clinic received a grant for a location expansion project in order to respond to the demand for Connect's services. *"Our patient appointments more than doubled in 2022 and are trending even higher in 2023. The project is important to teens, women, and men, especially those who are underinsured or uninsured. We charge minimal lab fees, so care is accessible and affordable. For those who cannot pay, we have a sponsorship fund we can provide them."* NDCF's grant helped furnish a patient exam room in the new area, including the exam table, chairs, and a vital signs mobile cart.

THANK YOU!

NDCF received this thank you from the Sargent County Food Pantry in 2023. They moved their pantry's location in **Forman** to a back room of the Forman Public Library with the help of a 2022 SWGN grant from NDCF.

"The Sargent County Food Pantry, and Forman Public Library, would like to give a huge THANK YOU to the donors who made this grant a possibility. So many good services and activities in our rural communities are funded and supported through this and other similar programs, and many would not be possible without continued support from donors. Again, thank you!" - Sara Dux, Sargent County Food Pantry member and Forman Librarian.

Would you like to make a difference in communities across North Dakota? Make a donation to our Statewide Greatest Needs Fund in 2024 and you will support projects like these all across our state! Or leave a gift in your will to this fund and make a difference forever!

To apply for a SWGN grant, go to [NDCF.net/receive/swgn](https://www.ndcf.net/receive/swgn). Applications are due by July 31, 2024.

Types of Funds

NDCF manages over 900 funds for the betterment of North Dakota citizens and their communities. Below is more information about the various types of funds we manage with examples of each. If you are interested in establishing a new fund, give our staff a call and we can help you figure out the best type of fund to accomplish your charitable-giving goals.

COMMUNITY FOUNDATIONS

Community foundations are permanent, flexible, financial resources for their communities and surrounding area. The grant money they provide to local projects and programs every year can make a huge difference in the quality of life for their residents. Over time, their endowment funds can become a substantial source of funding for their communities. Some communities also establish non-endowment funds for special projects in their area. NDCF manages 69 local community foundations in North Dakota and many have related project funds. Included in this category is:

- The Oakes Area Community Foundation, established in 1998, holds an annual golf tournament fundraiser. Local businesses, like Starion Bank, sponsor teams. On the right is John Zetocha, Market President of the Starion Bank in Oakes and Chair of the Oakes Area Community Foundation.

SCHOOL FUNDS

Numerous school foundations have been established in the last several years to provide additional resources to cash-strapped school districts. The additional funding from our school foundations fill in the gaps, providing everything from supplies to playground equipment to musical instruments to teacher housing. They can also provide long-term stability and resources for the school. In addition, several schools have established project funds at NDCF to supplement their capital projects if bids come in over estimates.

- Wilton School Building Project Fund

SCHOLARSHIPS

With the rising costs of higher education, more and more college-bound students need a helping hand. Donors can determine whether they want to establish a permanent or temporary scholarship fund, if it's tied to a certain high school or college major, and general guidance about selection criteria. Thank you to the generous donors who established scholarships for North Dakota students in 2023 through NDCF, including those listed here:

- Kirk Wold Memorial Trades Scholarship Fund
- Jake Wallin Memorial Law Enforcement Scholarship Fund
- AIA North Dakota Scholarship Fund

The Jake Wallin Memorial Law Enforcement Scholarship Fund was established at NDCF in 2023 by friends of the law enforcement community to honor the memory of Jake Wallin, who was killed in the line of duty in Fargo, North Dakota, on July 14, 2023 at the age of 23. Scholarships will be awarded to North Dakota and Minnesota residents to help defray expenses associated with entering the field of law enforcement.

ORGANIZATION FUNDS

Endowment funds provide long-term financial resources for organizations and can be an integral part of how they fund their operations and special projects every year. The stability of an endowment fund means the organization's mission can continue for countless generations. In addition, some organizations establish non-endowment funds at NDCF to help raise money for particular projects. Welcome to the following new organization funds:

- Pioneer Trails Regional Museum Endowment
- Gaia Home Fund
- Friends of Lake Sakakawea Endowment Fund
- ND Curling Foundation Fund

A neighborhood of residential units and community spaces, Gaia Home will be one of the first dedicated homes of its kind in the state with qualified medical care specializing in the end-of-life journey.

FISCAL SPONSORSHIPS

NDCF often serves as a fiscal sponsor for organizations, especially new causes just starting out. This allows people to focus on their passion instead of worrying about establishing 501(c)(3) status, tax implications, or other legal and administrative issues. NDCF served as the fiscal sponsor for following funds created in 2023:

- ND Native Tourism Alliance (Good Relative Collaborative Grant)
- Souris Basin Planning Council Fund
- Walhalla, ND Swimming Pool Project

The mission of the ND Native Tourism Alliance is to protect, promote, preserve, and educate the world about the culture, history and environment of our sovereign nations. NDNTA will promote and educate through sustainable tourism while developing economic opportunities for our people and nations.

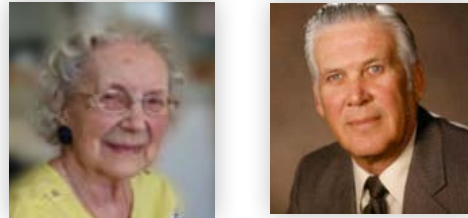

SPECIAL PURPOSE (RESTRICTED) FUNDS

Some funds are established at NDCF with a specific cause in mind. These special purpose or “restricted” funds can be related to a one-time disaster response or support specific charities and projects permanently. New special purpose funds established at NDCF in 2023 include:

- Bethany Cemetery Endowment Fund
- Sacred Heart Benedictine Sisters Legacy Endowment

COMMITTEE RECOMMENDED FUNDS

When a group of donors wishes to recommend the grant awards every year from their charitable fund, they can establish a Committee-Recommended Fund at NDCF. Two new committee-recommended funds were established at NDCF in 2023. Both were established through James’ trust to benefit the community of Garrison, ND.

Sylvia Stephens and James Stephens

- James R. Stephens & Sylvia J. Stephens Foundation
- James R. Stephens & Sylvia J. Stephens Foundation – Project Fund

DONOR-ADVISED FUNDS

Many families choose to establish a donor-advised fund (DAF) at NDCF and recommend where their grant dollars should go every year. A DAF provides great flexibility and amazing tax benefits. It is also known as a simpler version of a Family Foundation without the detailed legal documents or annual audit and accounting paperwork required. NDCF provides access to online statements 24/7 and donors can clarify successor fund advisors if they would like their children or grandchildren to recommend grants from the fund in the future.

“My husband Steven Nelson and I both come from generations of ranching and farming families. As part of our commitment to our community, in 2012 we set up our Donor Advised Fund Endowment with the North Dakota Community Foundation. They were a good fit because they are North Dakotans as well, and it was simple and we receive the support we want when we need it – even face-to-face as needed.” - Wanda Uran-Nelson, Watford City, ND.

GIFT ANNUITIES

Charitable Gift Annuities provide an income for life to the donor and a gift to the causes that are most important to them when they’re gone. CGAs are becoming an increasingly popular charitable-giving tool. NDCF manages several CGAs.

OPERATING FUNDS

Gifts to NDCF’s Development Fund (non-endowment) or Operating Endowment Fund help us provide services to communities all across the state as they work to improve the quality of life for area residents. Thank you to those donors and organizations who choose to provide direct support to our organization!

2023 Financial Reports

We were saddened to learn of the passing of Roger E. Meisner in 2023: a veteran, a long-time veterinarian, and a generous donor who created the Roger E. Meisner Veterinary Medicine Scholarship Fund (now called the NDCF Veterinary Medicine Scholarship Fund, per his request.) His scholarship fund has awarded more than \$1 million to over 130 students since 1996. It will continue to generate scholarship dollars forever. Thank you, Roger. We will miss you. Godspeed.

“This grant filled a critical need in our community. The two refrigeration units allowed us to secure additional food supplies that could be refrigerated. With these units in place, we were able to increase reach. Currently, we are able to serve an average of 125 adults, 77 children, 112 households, and 74 seniors with an average of 2,423 pounds of food each week. With the support of NDCF, our mission is better able to serve our struggling families. “ - Shasti Liang, Freedom Church, Grand Forks - 2022 Statewide Greatest Needs grant recipient

The Power of Endowment

The North Dakota Community Foundation believes strongly in the power of endowment. Endowment sets aside and invests money at all times, but especially when economic winds are favorable. Endowment then provides charitable cash flow in perpetuity independent of the economic cycle. This provides a stable financial resource for the organization or community it supports.

A properly managed endowment is a resource that returns many times the original investment. Here is a chart that shows the 30+ year performance of a \$100,000 endowment established at the North Dakota Community Foundation on December 31, 1989. This chart is based on the NDCF actual net investment return after paying investment advisors and taking our normal endowment management fee.

You can see that the \$100,000 initial gift had a market value of **\$169,590** at the end of 2023 and would have awarded a total of **\$192,822** in grants over the years to the charity, community, or school it was designed to support.

That's a total value of \$362,412 from the initial charitable investment.

The fund will continue to grant out charitable dollars forever.

That is the beauty and the power of an endowment fund.

We are here to help!

If you have any questions about charitable giving in North Dakota, the 40% State Tax Credit, or starting a fund at NDCF, please give us a call. There is no obligation and we are happy to help you.

More information can also be found on our website at www.NDCF.net.

Funding an Endowment

You can fund an endowment fund at NDCF with a wide range of assets. These include:

- Cash, checks, or ACH transfers
- Publicly traded securities or mutual fund shares
- Mineral Royalty income or ownership (never sold)
- Real-estate, Vacation homes
- Ag commodities, crops, cattle, and equipment
- Restricted stock
- Bitcoin and other cryptocurrencies
- Charitable Gift Annuities
- Make NDCF a beneficiary of your life insurance policy, IRA, 401K, or commercial annuity, specifically for the endowment fund you choose.
- Leave a gift in your will. Suggested language below:

I give and bequeath to the North Dakota Community Foundation (Tax ID Number 45-0336015), a qualified charitable organization under IRS 501(c)(3), located in Bismarck, North Dakota, _____ (a percentage of the estate, specific dollar amount, or remainder of estate) to the _____ (name of fund(s) at NDCF), a permanent component of the North Dakota Community Foundation.

** Be sure to contact your legal advisor.*

When you are considering your charitable-giving, remember to **Give Where You Live** and improve the quality of life in YOUR hometown! Support your local community foundation or school this year and make North Dakota an even better place to live, work, and play!
