of Dunn County . . .*

Forever.

Who We Area

Established in 2012 by a group of concerned residents, the **Killdeer Area Community Foundation** is a permanent endowment fund that can support our community for years to come. Earnings from the fund are given as grants to support nonprofit projects or programs in Greater Dunn County that work to improve our community and quality of life. Anyone who would like to contribute to the fund can do so at any time.

How We Serve

The local committee serves as a conduit to the community for the fund. The committee helps with promoting, inviting new membership, taking applications, awarding grants, and thanking those who contribute to the fund.

When families or individuals leave Legacies, the committee then helps analyze the most urgent needs of the community, and directs funds to that program/project. They can facilitate giving even when those who gave are no longer in the community or have passed away. In this way, the fund is a "Living Legacy" for the general urgent needs of the community.

The goal is to build the fund large enough to help support "GAP" needs in the community. Energy production comes and goes, agriculture has good and bad years, government funding of services fluctuates year to year. This fund, however, as it grows, will provide a consistent revenue to fill in where other areas fall short to support services we all value and enjoy. Those who love their community, and want to see friends, family, and neighbors enjoy a good quality of life are asked to consider helping build the fund.

What This Fund Can Do

Grants are made every year from its interest earnings to worthwhile projects and programs in Dunn County. We made our first grant in 2017(\$500 to the Christmas for Kids program at Dunn County Social Services)! Here are some examples of projects that other community foundations have supported:

- Playground improvements at their City Park
- New equipment for their Fire Department
- Made community buildings handi-capped accessible
- Books & supplies for their library
- Marching Band uniforms for their high school
- Upkeep or growth of Historical or Community Center building projects or organizations.

What could we do in Dunn County?

Ways to Contribute

We understand there are many current needs...imagine if a fund like this had been launched 50 years ago! Less time would have to be spent fundraising, and more time could be put into expanding the quality of programs and services in our area.

We would like to grow our fund so that we can make larger grants every year, like the community funds shown in the chart below:

Fund	Asset Value	Annual Grants
McKenzie County	\$237,000	\$9,480
Richardton	\$436,000	\$17,400
New Salem	\$1,300,000	\$52,000

How to Donate to the Fund

Donations to the **Killdeer Area Community Foundation** are welcomed and accepted at any time of the year to ensure that the fund grows and continues to support our area in the future. There are many different ways to contribute.
