What is Our Potential?

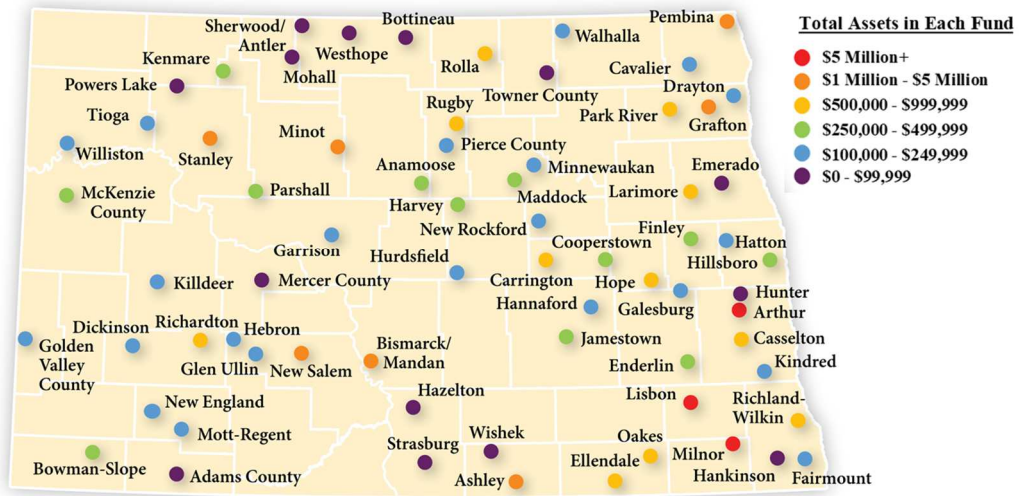

There are over 69 local community foundations in North Dakota, some that started over three decades ago and others that started last year.

The larger these permanent endowment funds grow, the more earnings are available for grants every year. Some funds award over \$40,000 in grants every year!

Can you help us grow our fund so that we can better support the programs and projects that make New Rockford great? Consider setting up a recurring gift online or send a check to our address below.

Other ways to give include:

- Donate stock
- Take advantage of the IRA Charitable Rollover - your donation (directly from your IRA account to our fund) counts as your Required Minimum Distribution, but you can avoid taxes on it!
- Give memorial gifts to our fund in honor of family members and friends.
- Make the fund a full or partial beneficiary of your life insurance policy.
- Leave a gift in your will - it can be a specific dollar amount, percentage of your estate, or remainder after other gifts to family and friends. ◊

Margery McCanna
Jennison died in 2010
at the age of 82.

In 2021, she replaced the
siding at the Larimore
Senior Citizens Club.

Margery left a gift in her will to provide resources for communities in Larimore and the surrounding area. The fund she created at the North Dakota Community Foundation gives out thousands of dollars in grants for projects in this area every year.

Her last gift will last forever.
