COMMUNITY  
FOUNDATION

*Annual Report 2015*

*Building Brighter Futures Since 1976*

## *Mission Statement*

The mission of the North Dakota Community Foundation is to improve the quality of life for North Dakota's citizens through charitable giving and promoting philanthropy.

## *About the North Dakota Community Foundation*

The North Dakota Community Foundation was incorporated in 1976. NDCF is an IRS designated 501(c)(3) statewide public nonprofit tax-exempt corporation that receives and distributes charitable funds to support a wide range of programs that benefit North Dakotans.

NDCF was formed by a group of concerned citizens who were looking for a general charitable vehicle to build endowment to support the nonprofit sector in the state. Initial support for the Foundation came from the Otto Bremer Foundation, the Northwest Area Foundation, the Northwest Bancorporation, the North Dakota Bremer Banks and the Bush Foundation.

The office staff under the supervision of its volunteer Board of Directors carries out the work of the Foundation. Board members represent all citizens of North Dakota. All grant distribution decisions are made by the NDCF Board of Directors.

## *National Standards*

The National Standards Seal represents official confirmation from the Community Foundations National Standards Board that NDCF has met the most rigorous standards for community foundations. The seal affirms NDCF's commitment to financial security, transparency, and accountability and says that our grantmaking includes an open, competitive process designed to address the changing needs of our community.

This and past issues of the North Dakota Community Foundation's Annual Report are available on our website at [NDCF.net](http://NDCF.net)

*NDCF Board of Directors*

NDCF is governed by a 15-member Board of Directors. They are volunteers and receive no financial compensation for their service on the Board. They are elected from the population of North Dakota and are selected to represent a broad cross-section of North Dakotans. They can serve two three-year terms and then must leave the Board. This structure ensures that the North Dakota Community Foundation is truly the people of North Dakota's Foundation.

If you are interested in serving on the NDCF Board, please contact our Bismarck office. We keep a list of potential board members for consideration.

## Chair & President's Letter

Your dedication and commitment to North Dakota and its citizens is impressive. Because of you - our donors and volunteers all across the state - NDCF has grown substantially in the last three years. In fact, our total assets have increased by 50% since 2012 – you can see our growth chart on page 6. We currently manage about 600 charitable funds – an increase of 23% since 2012.

2015 Board Chair  
Christie Obenauer

President & CEO  
Kevin Dvorak

In order to maintain and increase our level of service to our local community foundations, scholarship funds, agency endowments, donor-advised funds, fiscal sponsorships and grantees, we have had to add 3 new staff to keep up with the pace you have set for us.

So, whom did we add and why? We opened an office in Dickinson and hired John Heinen as our third development director. We have added several local community foundations in the last few years (we currently have 61 local community foundations under our umbrella) and our development directors act as their paid “staff” person. We now have John in the west, Kara Geiger covering central North Dakota and Amy Warnke working out of our Grand Forks office assisting our foundations in the east.

Juanita Clayton joined us in October and serves as our Office Manager. Previously, our accountant was responsible for both accounting and office management duties. Our growth has necessitated that we split the accounting function and the office management function. We hired Sarah Guss as our new staff accountant earlier this year. With this increased capacity, our goal is to maintain and improve our responsiveness and our operating efficiency.

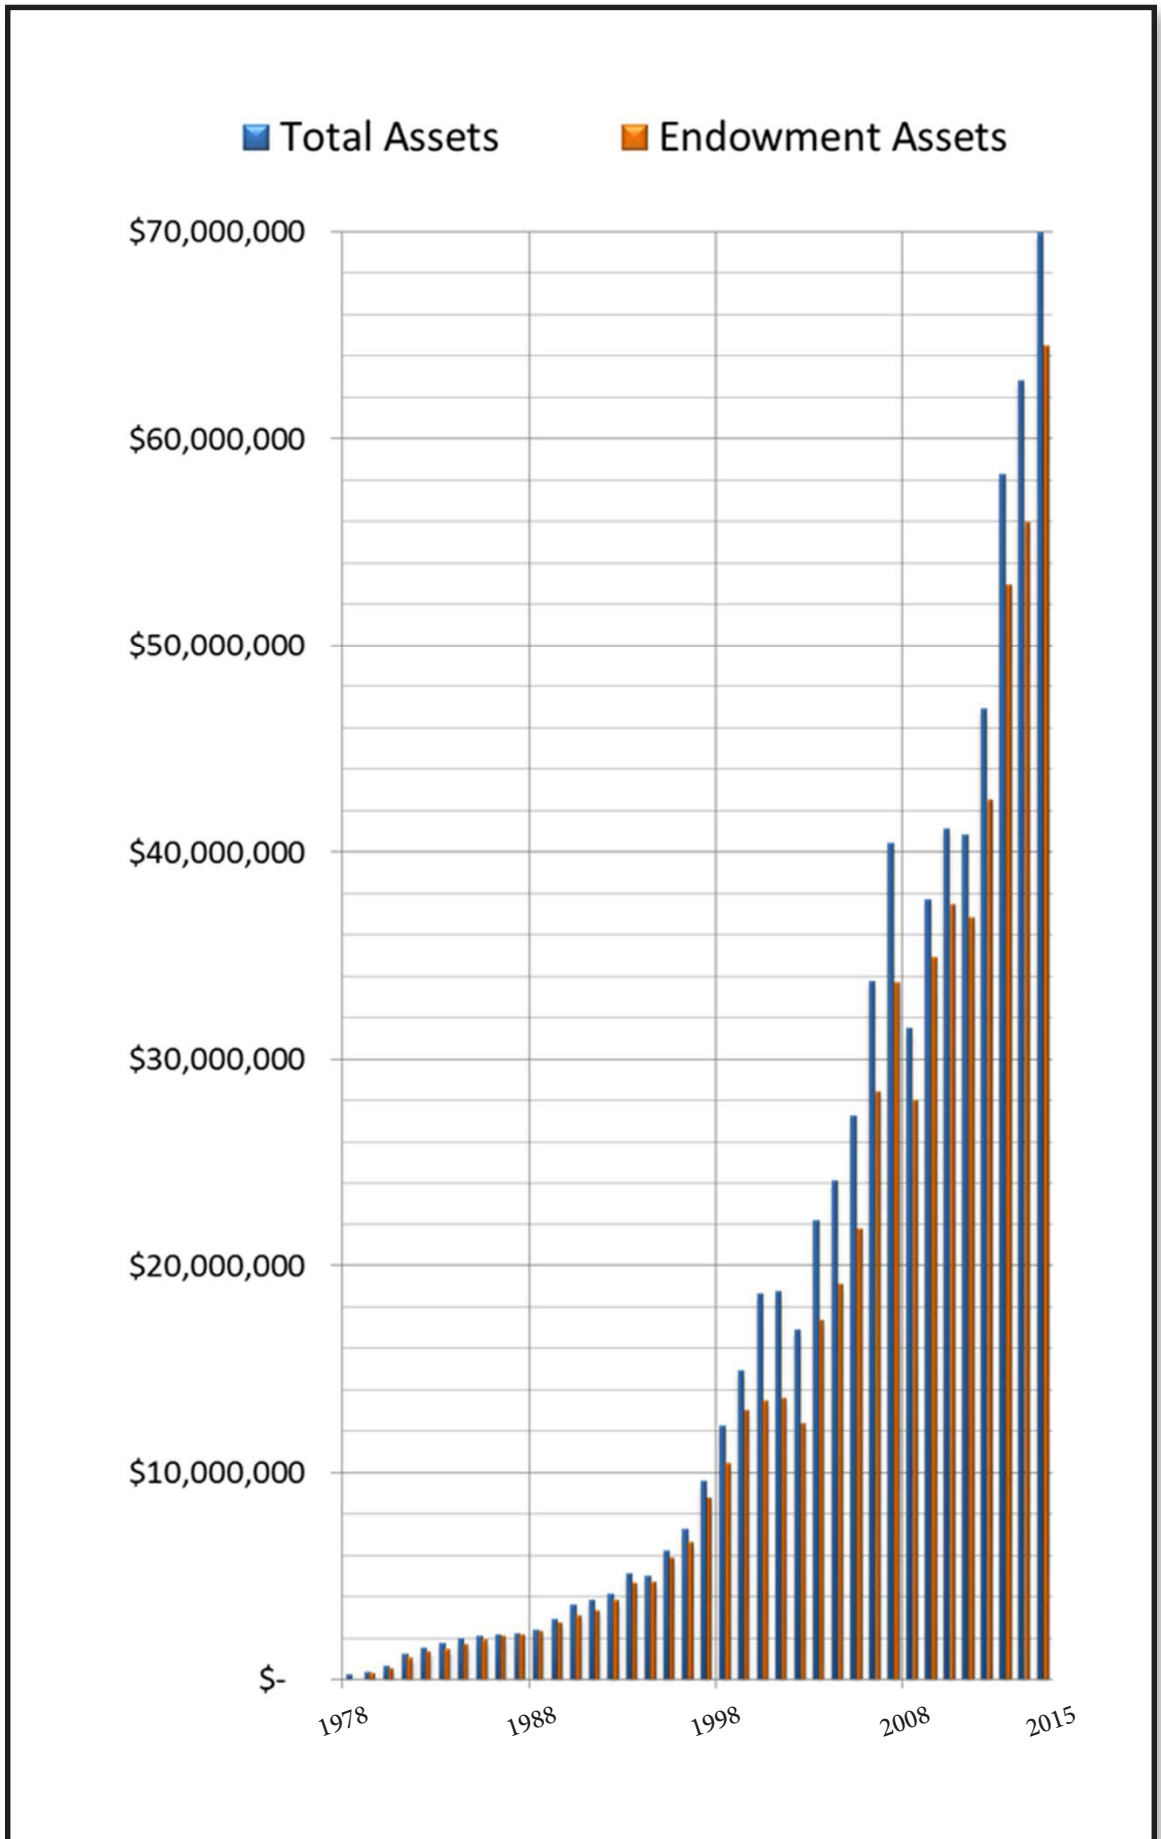

We brought Christi Stonecipher on board as full-time Director of Communications on January 1, 2016. She had contracted with us on a part-time basis for three years prior. She has increased and improved communications with our volunteers, donors, and partners so that you know what “your” community foundation is doing. NDCF is the people of North Dakota’s Foundation – our job is to help you do good work in your community and region.

You can see all of our staff on page 7. Please know that every one of them is dedicated to our mission – improving the quality of life for North Dakota’s citizens – and will help you in any way they can to accomplish that.

Lest you think that we are “overstaffed” let us tell you about a conversation Kevin had last summer with one of his colleagues who runs a statewide community foundation nearly identical in size. She called to ask advice regarding their staffing needs. They were going to add 3.5 more employees for a total of 14 staff. Our answer was that we were probably the wrong community foundation to ask as we were just planning to add staff to get to 7! The moral of the story is that even at 7 full time employees, we are quite lean compared to others in the community foundation world. That is because we partner with local volunteers and community leaders all across North Dakota to help accomplish our mutual goals.

These additions and changes are part of an impressive growth pattern and allow us to keep pace with the demand for our work. This annual report gives you a snapshot of what we together accomplished last year all across North Dakota. We are proud to partner with all of you in making North Dakota a better place to live, work, and play.

### *Over 350 Scholarships Awarded to North Dakota students in 2015!*

DEAR North Dakota Community Foundation Members,

I hope this note finds you happy & well. I am writing you today to thank you for the exceptionally generous gift of \$5,000 to be applied to my veterinary school education. It is a great honor to be a recipient of a 2015 Dr. Roger E. Meisner Scholarship.

My fourth year of veterinary training has been pretty amazing thus far. I have completed many great rotations & found the ophthalmology, exotics & equine medicine rotations to be truly comprehensive & interesting learning experiences. I was also fortunate to spend an entire month at the Denver Zoo. Working with animals ranging from elephants to elephant shrews was absolutely fascinating.

I am currently looking for jobs in mixed animal practices & studying for the NAVLE. My next rotation will be at the Boise Animal Shelter. I will be performing many spays, neuters & minor surgical procedures. I can't wait.

I greatly appreciate the financial support the Dr. Roger E. Meisner Scholarship has provided me on my journey of becoming a veterinarian.  
Thank you, *Jessie New*

## Our Community Endowment Funds

The Community Endowment Fund program is the signature program of the North Dakota Community Foundation. At the end of 2015, 61 different communities had established permanent endowment funds through NDCF and together, we are improving the quality of life for these residents. These funds are guided by local volunteer committees who take the lead in fundraising for their community foundation and recommend where grant money should go every year. Take a look at some of the incredible things that happened in 2015 around North Dakota!

.....

**From Tioga:** “Words can not describe how invaluable the grant was to our community. Our new pool and splash pad were a HUGE HIT!!! Our board witnesses so many smiles and not just from the young children but adults as well. The splash pad was definitely the highlight of the pool and people were happy to be able to have their city pool back.”

.....

.....

Our community endowment funds are locally-led. Here, the **Bowman & Slope County Community Foundation Advisory Committee** meets to discuss fundraising ideas to grow their new fund. Left to right: Carla Teske, Amy Fischer, Kasey Burke, Teran Doerr, Jeanine Clendenen, and Ron Palczewski.

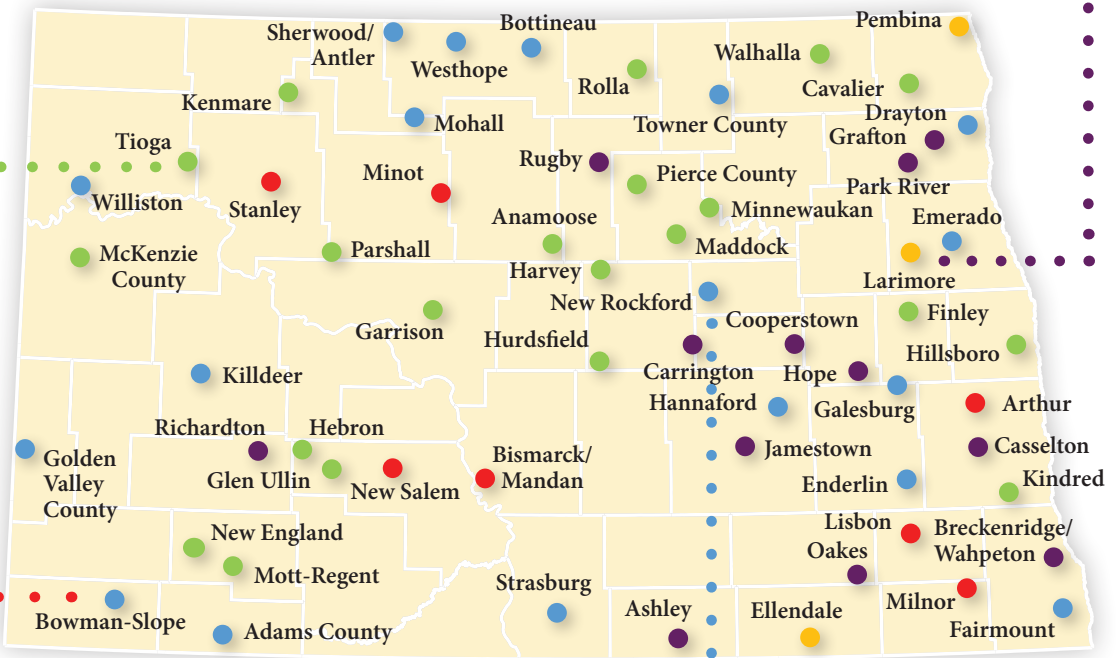

.....

The **New Rockford Community Foundation** hosted its 3rd Annual Deal or No Deal Fundraiser in March of 2015. This unique event not only raises thousands of dollars every year for their permanent endowment fund, but it provides a fun evening of entertainment for the community.

The Edna Ralston Library remodeled a poorly lit, cold, unusable room into a beautiful, cozy children's section, thanks in part to a grant from the **Larimore Community Endowment Fund**.

- \$1 Million +
- \$500,000 – \$999,999 in total assets
- \$250,000 – \$499,999 in total assets
- \$100,000 – \$249,999 in total assets
- 0 – \$99,999 in total assets

- **Over \$866,000 was awarded in grants** from these community endowment funds to worthwhile projects and programs in their area in 2015.
- Total Endowment Assets in NDCF's Community Endowment Funds surpassed **\$30 Million** in 2015.
- **Our Community Endowment Fund program has awarded a total of over \$6.9 million in grants since 1982!**

## Statewide Greatest Needs Fund

NDCF's Statewide Greatest Needs Fund provides grant dollars for projects and programs across the state that make a significant difference in the quality of life of area residents. For some communities, NDCF's Statewide Greatest Needs Fund is the only funding source they have to help them make improvements in their town.

NDCF's Board of Directors reviews grant applications once a year and determines grant awards. NDCF was pleased to award \$124,500 in 2015 to 37 organizations, including those shown here:

A \$4,000 grant was awarded to Wildrose Public Transportation to help them fund a new van. The van provides vital transportation to residents in the communities of Wildrose, Tioga, Alamo, and Ray. This is especially important to seniors who cannot drive to doctor appointments, shopping trips, or community events. *Pictured left to right: Kevin Dvorak (NDCF) and representatives of Wildrose Public Transportation: Kay Fortier, Doris Homer, and Jess Homer.*

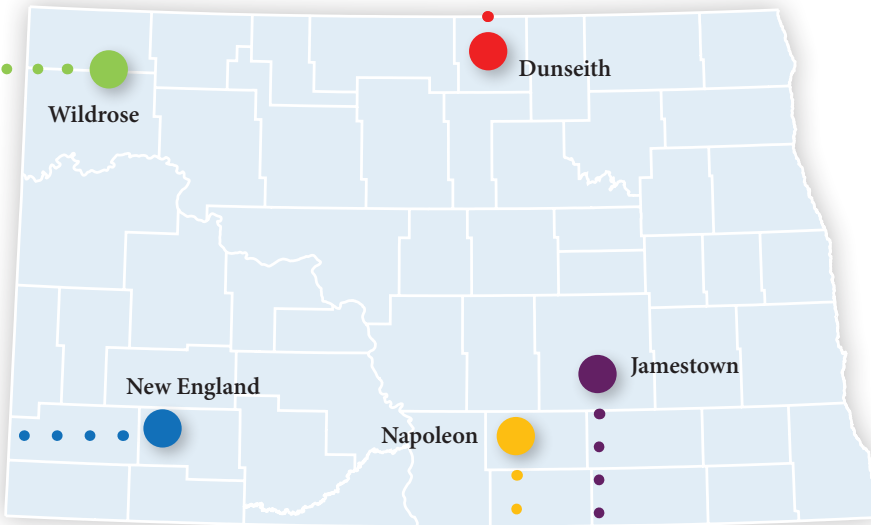

The Memorial Hall in New England will get an elevator lift to become handicapped accessible, thanks in part to a \$5,000 grant from NDCF. The Memorial Hall is utilized as a community center with many events for residents of New England and the surrounding area. *Pictured left to right: Kevin Dvorak (NDCF), and Ruth Fitterer, Shannay Witte, Shari Wolf, Stacy Miller, and John Plaggemeyer from New England.*

The Napoleon Police Department received a grant for \$4,250 to purchase two-way radios, tasers, and other equipment necessary to better serve their community of 850 people. *Pictured left to right: Kevin Dvorak (NDCF), Napoleon Chief of Police James Waldo, and NDCF Board Member Spencer Larson.*

The Dunseith Public School District received a grant for \$1,950 to participate in the Dolly Parton Imagination Library. The program mails one book every month to children ages birth to 5 years old so they can be read to in their home. It fosters a love of reading and improves future academic success. *Left to right: Kevin Dvorak (NDCF), Kim Marion of Dunseith Public Schools, and Gigi Artz (NDCF Board Member).*

Eventide Senior Living Communities in Jamestown received a \$5,000 grant to purchase an adaptive computer system called “It’s Never 2 Late”, which provides a variety of adaptive and engagement computer experiences for its residents. *Left to right: Kevin Dvorak (NDCF), Spencer Larson and Becky Thatcher-Keller (NDCF Board members), and Trudy Latozke and Doug Panchot of Eventide.*

**Grant Application for the Statewide Greatest Needs Fund are due by July 31 each year. More information about the process and an application form can be found at [www.NDCF.net/receive/swgn](http://www.NDCF.net/receive/swgn).**

## New Funds

NDCF manages over 580 funds for the betterment of North Dakota citizens and their communities. We were pleased to welcome the following funds in 2015:

---

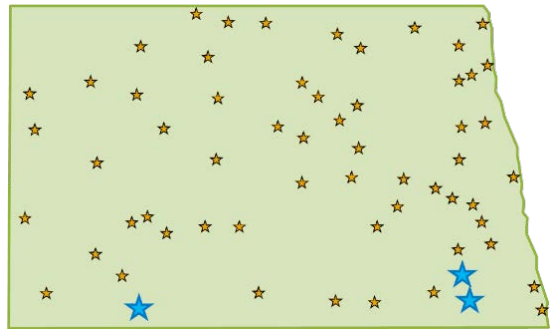

### New Community Foundations

Community foundations are permanent, flexible, financial resources for their communities and surrounding area. The grant money they provide to local projects and programs every year can make a huge difference in the quality of life for their residents. Over time, these endowment funds can become a substantial source of funding for their communities. Some communities also establish non-endowment funds for special projects in their area. The following community funds were started in 2015. NDCF manages 61 local community foundations in North Dakota.

**Dale L. Brown Memorial Fund** (benefitting the communities of Lisbon and Milnor)

**Russell F. Brown Memorial Fund** (benefitting the communities of Lisbon and Milnor)

**Adams County Community Foundation**

---

### New School Foundations

Numerous public school foundations have been established in the last several years to provide additional resources to cash-strapped school districts. The additional funding from our school foundations fill in the gaps, providing everything from supplies to playground equipment to musical instruments to teacher housing. They can also provide long-term stability and resources for the school. Welcome to the following school foundations:

**Kulm Public School Foundation Non-Endowment Fund**

**New Public School District #8 Foundation Fund**

**Parshall Public School Foundation Non-Endowment Fund**

**McKenzie County Public School District #1 Foundation Fund Non-Endowment**

*Students and staff of the Kulm school show the outline of the new school addition in this aerial photo from April 2015. ### New Scholarships

With the rising cost of higher education, more and more college-bound students need a helping hand. Thank you to the generous donors that established scholarships for North Dakota students in 2015 through NDCCF.

Ray Scholarship Fund

Fay & Irene Sanders Memorial Scholarship Fund

Kyle Binstock Memorial Scholarship Fund

Mary Goldader (Johnson) Memorial Scholarship Fund

Sheila Coleman Memorial Scholarship Fund

Gary Opp Memorial Scholarship Fund

U.S. Durum Growers Association Scholarship Fund

### New Agency Endowment Funds

Endowment funds provide long-term financial resources for organizations and can be an integral part of how they fund their operations and special projects every year. The stability of an endowment fund means the organization's mission can continue for countless generations. Welcome to the following new agency endowment funds:

Martin's Lutheran Church Endowment Fund

Washburn Volunteer Ambulance Service Endowment Fund

*"Thank you for selecting me a recipient of your scholarship. Without it, I wouldn't be able to afford going to college."*

*"It has always been a dream of mine to become an English teacher and with this scholarship, I will be able to pursue my career goal."*

*"Thank you for believing in me, it means so much to me and my family."*

*- 2015 Rupert J. Rehberg Scholarship Recipient*

### **New Fiscal Sponsorships**

NDCF often serves as a fiscal sponsor for organizations, especially new causes just starting out. This allows people to focus on their passion instead of worrying about establishing 501(c)(3) status, tax implications, or other legal and administrative issues. NDCF now serves as the fiscal sponsor for the following funds created in 2015:

- Long X Council on the Arts
- Burke County Fair Building Fund
- Veterans Memorial Park Fund
- Lewis & Clark Trail Museum
- 31:8 Project

*The mission of the Long X Council on the Arts is to enrich the lives of Watford City and McKenzie County community members and youth by offering unique opportunities for arts-based development, cultivation and entertainment.*

---

### **New Special Purpose (Restricted) Funds**

Some funds are established at NDCF with a specific cause in mind. These special purpose or “restricted” funds can be related to a one-time disaster response or support specific charities and projects. The following special purpose funds were created at NDCF in 2015:

- Leon Dubourt Gorge Arts Council Endowment Fund
- Leon Dubourt Charitable Non-Endowment Fund

---

### **New Donor-Advised Funds**

Several families established donor-advised funds in 2015 and determine for themselves which charities and programs should benefit from the fund’s grantable dollars.

- Robert & Peggy Paul Fund
- John C. Chatelain & Catherine S. Jenson-Chatelain Charitable Fund
- Lynn & Carla Schaible Charitable Fund
- Cofell Heritage Fund
- Kirchmeier Family Charitable Fund
- Capital Credit Union Charitable Fund
- Evan’s Support Endowment
- Evan’s Support

*The initial focus of Evan’s Support is to purchase comfortable and supportive furniture for medical facilities so that parents who wish to spend the night with their hospitalized child will have a reasonably comfortable place to sleep. A second purpose is to assist in the writing and/or publishing of a child’s obituary (younger than 18 years).*

## *2015 Financial Reports*

The NDCF Board of Directors engaged an independent certified public accounting firm to audit the Foundation's modified cash basis financial statements for the year ended December 31, 2015. The auditors have issued an unqualified opinion dated April 22, 2016, on the modified cash basis financial statements presented on pages 18 & 19. Copies of the audit are on file at the Foundation's office for inspection.

## Thank You To Our Donors

The incredible projects taking place in North Dakota because of NDCF grants happen because donors have entrusted us with their gifts—large and small—for almost 40 years. Thank you to all who have donated money to make North Dakota a better place to live, work, and play. You are making a difference in the lives of many.

### *Andrew Axtman, Rugby*

Andrew Axtman lived his whole life in Rugby, North Dakota, farming on the family's homestead south of town. He worked hard and was very philanthropic, sharing what he had with the community he loved so much.

Andrew left a gift of \$35,000 to the Rugby Community Endowment Fund in his will to benefit organizations and projects there forever. This final gift from his estate in 2015 will benefit residents of his hometown for generations. Thank you, Andrew!

If you would like to make a profound impact on future generations of North Dakota residents, leave a portion of your estate to one of the many funds at NDCF. You can contact NDCF for more information or just include the following text in your will:

"I give and bequeath to the North Dakota Community Foundation (Tax ID 45-0336015), a qualified charitable organization under IRS 501(c)(3), located in Bismarck, North Dakota, \_\_\_\_\_ (a percentage of your estate, a specific dollar amount, or the remainder of your estate) to the \_\_\_\_\_ (name of fund), a permanent component of the North Dakota Community Foundation."

### *ND Association of Rural Electric Coop.*

The ND Association of Rural Electric Cooperatives (NDAREC), Basin Electric, Capital Electric, Mor-Gran-Sou Electric Cooperative, and CoBank, a national cooperative bank, joined forces to donate \$65,000 in September to the BisMan Community Foundation, an endowment fund established in 2011 through NDCF benefitting the Bismarck/Mandan area.

NDCF had previously arranged a matching grant with the Otto Bremer Trust so the \$65,000 donation was matched dollar-for-dollar, for a total contribution of \$130,000.

Dennis Hill, executive vice president and general manager of NDAREC, said it was a natural fit for the cooperatives to combine donations and support the BisMan Community Foundation.

“Electric cooperatives are all about providing services and support in a variety of ways to improve their member-owners’ quality of life. That’s what community foundations are about, as well,” Hill says. “As corporate citizens, we agreed that we should support this foundation as it aligns with our goals of building strong, vibrant communities in which our member-owners and our employees live and work.”

Local businesses are key partners in NDCF’s community funds, often leading the way in donations and/or providing matching funds for their local committee’s fundraising efforts.

## The Power of Endowment

An endowment fund is a permanent financial resource that provides annual grants to support a specific community, charity, or school forever. The chart below illustrates the power of endowment based on NDCF's actual net investment performance from 1990 through 2015.

Let's say Bob started a permanent endowment fund with NDCF in 1990 with \$100,000 and *never invested another penny in the fund*. On December 31, 2015, Bob's endowment fund would have a **total balance of \$145,264.19**. The chart shows the balance of the fund every year based on actual NDCF portfolio performance.

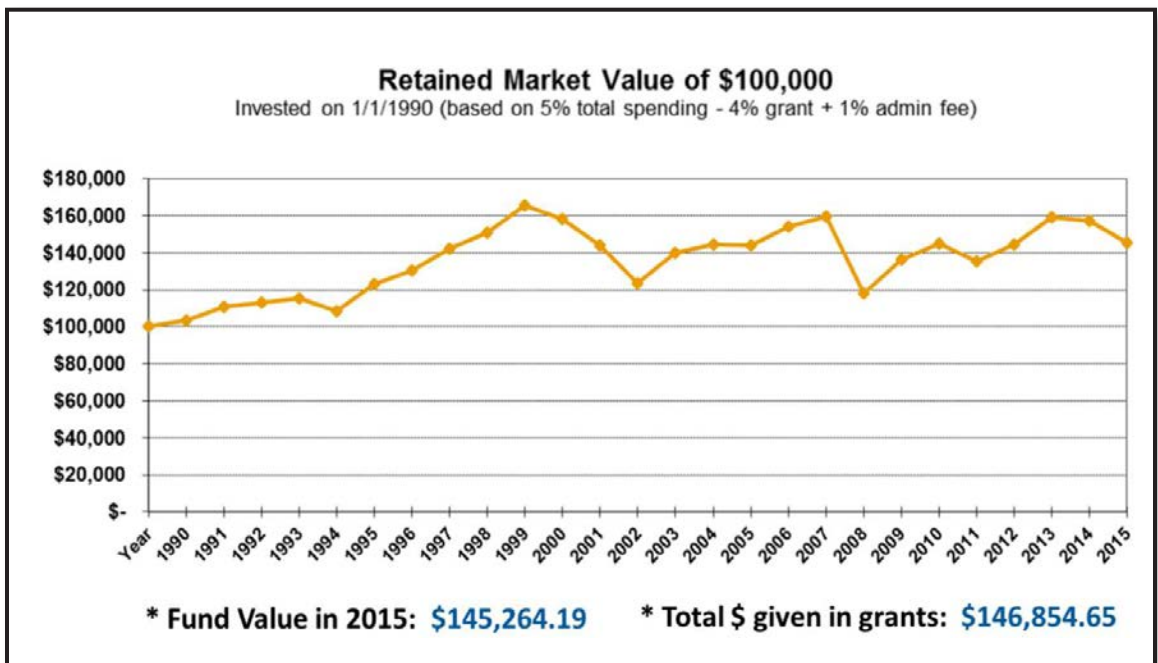

*This is Bob – he's really a nice guy. You should hang out with him sometime.*

During that same time period, the fund would have awarded **\$146,854.65 in total grants** to whatever causes Bob wanted to support each year – his local library or a summer arts camp for kids or the effort to build a new hockey arena in his hometown. (This example assumes that 4% of the balance was given out as grants and a small administrative fee was paid every year from the fund.)

**Even if no additional money is ever contributed to Bob's fund, it will continue to make annual grants of roughly \$6,000 to support the charitable cause for which it was designed into perpetuity.** This is the power and the beauty of endowment — recurring cash flow to support a community, a specific charity, or scholarship awards forever.

Endowment funds can be particularly powerful when a group of people all contribute to the same fund; pooling their donations in this way can grow the endowment fund into a significant resource for the cause it supports. If you would like to know more about starting an endowment fund to benefit a cause or community close to your heart, give us a call at 701-222-8349.

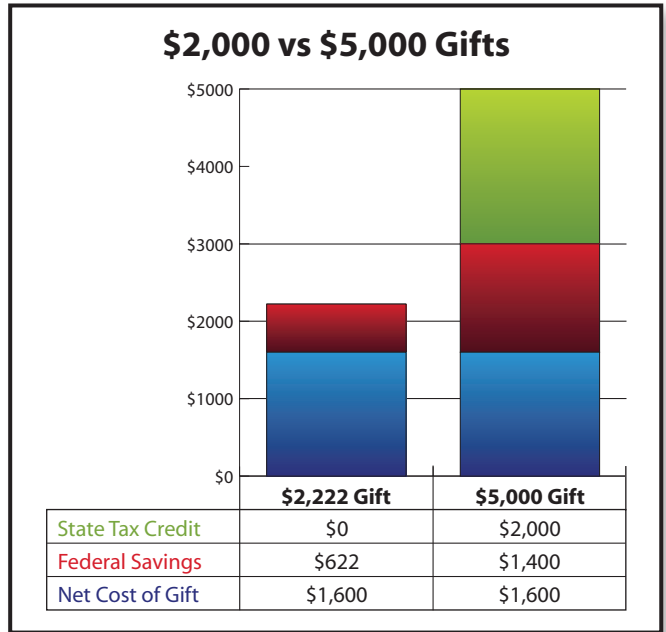

## North Dakota Income Tax Credit Encourages Gifts To Endowment

An endowment fund is a permanent asset, which benefits the community, organization, or charitable purpose for which it was established into perpetuity. In order to encourage donations to qualified North Dakota endowment funds, which will support our residents forever in a variety of ways, the North Dakota Century Code allows for several generous state tax credits:

- Gifts by individuals to qualified ND endowment funds are allowed a ND income tax credit of 40% of the gift up to a \$10,000 credit per taxpayer. The individual must give at least \$5,000 in a tax year to a single endowment fund in order to qualify for the credit (Credit may be carried forward for three additional tax years). This means that a \$5,000 gift may have the same out-of-pocket actual cost as a \$2,222 gift (but with a much greater impact to the endowment fund!).
- Businesses receive a ND income tax credit equal to 40% of any gift size to a qualified ND Endowment Fund up to a maximum credit of \$10,000 per taxpayer (Credit may be carried forward for three additional tax years).
- Individuals who establish a qualified deferred gift with a ND charitable organization receive a 40% ND income tax credit for the deductible portion of the gift up to \$10,000 per taxpayer (Credit may be carried forward for three additional tax years).

Your gift of \$5,000 to one of the NDCF's qualified endowment funds is not only tax deductible on your federal income tax return, it should also qualify for a 40% or \$2,000 credit against your ND income tax liability. If you are in the 30% federal income tax bracket, the net cost of your \$5,000 gift could be as low as \$1,500 after taking the federal and ND income tax benefits into account. If you cannot use all of your ND income tax credit in one year, you may carry it forward for an additional 3 years.

As the above illustrates, this law creates wonderful incentives for North Dakota taxpayers to give back to qualified ND charitable endowment funds. Please contact us to discuss how you can work with the NDCF to carry out your charitable dreams and benefit from this fantastic tax incentive.

## *How to Start a Fund at NDCF*

You don't have to be a millionaire to be a philanthropist!

You can contribute to any of the existing funds at NDCF or you can create a fund to benefit the areas you want to support. Here's what you do:

### **1. Determine the type of fund you want to start.**

**Community Endowment Fund:** This permanent, flexible resource for your hometown will provide grant money every year for whatever is most important to the community at that time. Grant recommendations are made by a local volunteer advisory committee who also fundraises so the fund continues to grow in the future.

**Donor-Advised Fund:** Establish a donor-advised fund at NDCF and recommend how grants from your fund can address the needs you feel are most important in North Dakota.

**School Foundation:** Want to support your alma mater? Establish a fund for your high school (or elementary school!) and make sure that future generations of scholars have the tools they need to succeed. Your fund can be non-endowment (for immediate needs) or endowment (to provide long-term resources), or both.

**Field of Interest:** Select a focus area (for example, "the arts" or "senior citizens") and either recommend grants from the fund yourself or allow the NDCF Board of Directors to make grants according to your general guidelines.

**Named Fund:** Create a fund in your name to support the specific community or charity or organizations you wish to help.

**Scholarship Fund:** Help students further their education with a scholarship fund that includes your criteria for awards.

### **2. Choose the name of your fund.**

### **3. Sign the agreement and make your initial gift.**

Yes, it's really that easy.
